## **Kruisin' Kanines Agility Club, April 30<sup>th</sup> & May 1<sup>st</sup>, 2022** **Kruisin' Kanines Training Center, 7102 Sladek Road, New Hope, PA 18938**

Congratulations, you're entered in the above Agility trial. Please review the confirmation information and notify me by email or mail immediately of any changes or modifications that need to be made. Please check my website: [WWW.FASTTIMESAGILITY.COM](http://WWW.FASTTIMESAGILITY.COM). In addition, for your convenience, we will be posting trial results to the website shortly after the trial – please check the results.

There **WILL** be an official measurer at this trial. **Exhibitor Janet Budzynski is a VMO and will be measuring dogs at this trial.** If the "Will dog need to be measured?" says YES, you will need to have a valid permanent height card, valid temporary measurement slip or you will need to be measured by a VMO. It is the exhibitor's responsibility to get their dog measured and to know the jump height card rules.

You may request move ups by emailing them to [trialec@FastTimesAgility.com](mailto:trialec@FastTimesAgility.com), via facsimile transmission to 888-521-1706 or in writing to Fast Times at 3 Sherman Ct, Manalapan, NJ 07726. **VERBAL MOVE UPS WILL NOT BE ACCEPTED OR PROCESSED.** If you are entered in multiple trials, you need to send a separate move-up request for EACH Trial AND EACH DOG.

**UPDATED course map procedures — PLEASE READ:** Per AKC rules as of 10/1/2021, course maps **WILL NOT** be available until the day of the trial. Fast Times will no longer email course maps to exhibitors. Course maps will be posted on site as per AKC rules. Maps will also be posted on the Fast Times website **the day of the trial before the start of the first walk-thru. Printed maps will NOT be handed out to exhibitors.** Please bring a phone or tablet that you can use to access the online maps, or that can take a photo of the posted paper maps.

**Trial site will be open at 6:30 am Saturday and Sunday.**

**DIRECTIONS:** PLEASE DO NOT COUNT ON YOUR GPS TO FIND THE SITE. Some people have reported that they lose service in some of the surrounding areas. If you have never been to Kruisin' before they suggest you have a set of printed directions as a backup just in case. More info and directions can be found on the club's website.
