Handlers with potential conflicts are asked to walk the Excellent/Master courses with an EARLIER height group if the conflict would mean you can't walk with your height class. If you aren't sure if you will have a conflict, play it safe and walk early! You can also **run at the end of the earlier height group or at the beginning of your height group** if that helps ease your conflict.

We do realize that handlers with multiple dogs will have some conflicts.

Conflicts can ONLY be marked in ex/mas classes unless you are running multiple dogs in that class. ALL classes that have 1 walk thru take precedence. If you need assistance with a potential conflict please ask. We would rather assist early than have anyone angry or panicked while ring side.

This is a game and we should all be having fun with our dogs!

If you are entered in either Premier class as well as the Ex/Mas classes...please be sure to walk your Ex/Mas class early if you may have a conflict with Premier. There are multiple opportunities to walk the Ex/Mas classes. We put Premier against them as NO ONE should have a conflict this way. If your height is running in the other ring, mark a conflict and run at the top of the next jump height. Just make sure someone knows what you are doing so you aren't marked absent.

DON'T STRESS OUT!! If you need help please ask!!

Please note: ALL the times after the first walk-thru are approximate – **DO NOT wait and arrive close to the time listed.** We are not responsible if you show up late because you thought the class would not start until the times shown below. Please remember that by mid-day – the times may be as much as ¼- 1 ¼ hours off. **JUDGE’S BRIEFINGS WILL ONLY BE AT THE BEGINNING OF EACH CLASS – NOT BEFORE EACH JUMP HEIGHT**

These times are only approximations. The Judges, the Club & the Trial Secretary will not be held to anything other than the start times for the first class of each day.
