

## Trial site and club rules and information:

- Masks are required to be worn inside the facility at all times, **EVEN WHEN RUNNING**, & when outside and unable to properly social distance.
- **There will be a parking assistant. Only park in designated spaces. DO NOT park in front of our neighbors P.C. Campbell.**
- There is a separate turf area available for indoor crating. Please bring a tarp or mat to place under your crates. Dogs that bark continuously or are aggressive to passing dogs or people will not be permitted to be crated inside.
- We are running this trial in **GROUPS** to facilitate working. We have put an 8 minute break in between groups and will hold to this so that you have time to work classes and still take care of yourself and your dogs. Thank you in advance for volunteering so this trial runs smoothly.
- **United Dog Agility will be providing the Agility Gate service for this event. Details will be emailed prior to the event.**
- **UPDATED course map procedures — PLEASE READ**: Per AKC rules as of 10/1/2021, course maps **WILL NOT** be available until the day of the trial. Please bring a phone or tablet that you can use to access the online maps, or that can take a photo of the posted maps.
