**JAG JUNE 18-19, 2022 Sportika 150 Woodward Road, Manalapan, NJ 07726 (INDOORS)**

Congratulations! You are entered in the above Agility trial. Please review this confirmation information and notify us by email or mail immediately of any changes or modifications that need to be made. Please check our website: [WWW.FASTTIMESAGILITY.COM](http://WWW.FASTTIMESAGILITY.COM). In addition, for your convenience, we will be posting trial results to the website shortly after the trial – please check the results.

There **WILL** be an official measurer at this trial. **Exhibitor Paul Mount is a VMO and will be measuring dogs.** If the “Will dog need to be measured?” says YES, you will need to have a valid permanent height card, valid temporary measurement slip or you will need to be measured by one of the VMOs. **DO NOT RISK A Q – GET MEASURED BEFORE RUNNING.** It is the exhibitor’s responsibility to get their dog measured and to know the jump height card rules. AKC will check this data and you will lose a Q if you do not get measured before your run.

You may request move ups by the move up dead line listed above via email to [trialssec@FastTimesAgility.com](mailto:trialssec@FastTimesAgility.com), via facsimile transmission to 888-521-1706 or in writing to Fast Times at 3 Sherman Ct., Manalapan, NJ 07726. VERBAL MOVE UPS WILL NOT BE ACCEPTED OR PROCESSED. If you are entered in multiple trials, you need to send a separate move-up request for EACH Trial AND EACH DOG.

**NO EXHIBITOR SETUP UNTIL SATURDAY MORNING. Site will open each day at 7 am.**

**Measuring:** Will be done throughout the day based on VMO availability. Measuring of dogs is always done throughout the day based on VMO availability, but the best time to get measured is in the morning before the trial starts. Please remember to arrive in plenty of time before your class so that you are not rushing to get measured before you need to run. You will need your dog’s AKC information to fill out the measurement form so come prepared!

**Worker check-in:** volunteers please check in with the worker coordinator 10 minutes prior to the start of the classes you will be working. See schedule for start times.

**UPDATED course map procedures — PLEASE READ:** Per AKC rules as of 10/1/2021, course maps **WILL NOT** be available until the day of the trial. Fast Times will no longer email course maps to exhibitors. Course maps will be posted on site. Maps will also be posted on Fast Times’ website **the day of the trial before the start of the first walk-thru**. **Printed maps will NOT be handed out to exhibitors.** Please bring a phone or tablet that you can use to access the online maps, or that can take a photo of the posted maps.

Handlers with potential conflicts are asked to walk the Excellent/Master courses with an EARLIER height group if the conflict would mean you can't walk with your height class. If you aren't sure if you will have a conflict, play it safe and walk early! You can also **run at the end of the earlier height group or at the beginning of your height group** if that helps ease your conflict. Please talk to the judges to verify.

**We do realize that handlers with multiple dogs will have some conflicts.**

**Conflicts can ONLY be marked in ex/mas classes unless you are running multiple dogs in that class.**

ALL classes that have 1 walk thru take precedence.

If you need assistance with a potential conflict please ask. We would rather assist early than have anyone angry or panicked while ring side.

***This is a game and we should all be having fun with our dogs!***

**Please note: ALL the times after the first walk-thru are approximate - DO NOT wait and arrive close to the time listed.** We are not responsible if you show up late because you thought the class would not start until the times shown below. Please remember that by mid-day - the times may be as much as ¼-1 ¼ hours off. **JUDGE'S BRIEFINGS WILL ONLY BE AT THE BEGINNING OF EACH CLASS - NOT BEFORE EACH JUMP HEIGHT**
