## **Kruisin' Kanines - August 12-13, 2023**

### **Sportika 150 Woodward Road, Manalapan, NJ 07726 (INDOORS)**

Congratulations! You are entered in the above Agility trial. Please review this confirmation information and notify us by email or mail immediately of any changes or modifications that need to be made. Please check our website: [WWW.FASTTIMESAGILITY.COM](http://WWW.FASTTIMESAGILITY.COM). In addition, for your convenience, we will be posting trial results to the website shortly after the trial – please check the results.

There **WILL NOT** be an official measurer at this trial. If the "Will dog need to be measured?" says YES, you will need to have a valid permanent height card, valid temporary measurement slip, or you will need to be measured by one of the judges before running. This measurement will be valid for this trial weekend only. DO NOT RISK A Q – GET MEASURED BEFORE RUNNING. It is the exhibitor's responsibility to get their dog measured and to know the jump height card rules. AKC will check this data and you will lose a Q if you do not get measured before your run.

You may request move-ups by emailing them to [trialsec@FastTimesAgility.com](mailto:trialsec@FastTimesAgility.com), via facsimile transmission to 888-521-1706 or in writing by mail to Fast Times at 3 Sherman Ct, Manalapan, NJ 07726. VERBAL MOVE-UPS WILL NOT BE ACCEPTED OR PROCESSED. If you are entered in multiple trials, you need to send a separate move-up request for EACH Trial AND EACH DOG.

**Again, move-up requests MUST be received by 6 pm the Monday before the event per AKC rules. Day to day move ups must be done onsite and will not be accepted via email. See premium for details.**

**Measuring:** done throughout the day, based on judge availability between classes. Please remember to arrive in plenty of time before your class so that you are not rushing to get measured before you need to walk/run.

**Worker check-in:** volunteers, please check in with the worker coordinator 10 minutes prior to the start of the classes you will be working. See schedule for estimated start times. Raffle tickets and vendor bucks will be given to all that volunteer. There will be vendors at this event.

## Please read **ALL** of the following trial rules:

- ALL parking for this event is in the grass area (weather permitting). Cars there for the dog show may not be parked on the tarmac unless otherwise instructed. Please park on the grass first. Parking on the grass also puts you much closer to the entrance/exit that we are using.
- **THE GARAGE DOOR WILL ONLY BE OPEN FOR UNLOADING FIRST THING IN THE MORNING EACH DAY. After that, entering and exiting will be done using the door at the far back corner of the building that leads into the grass parking area.**
- All other doors are locked and alarmed w/cameras.
- During the trial there we can also use the door on the right side of the JWW ring to take dogs to one of the two designated potty areas.
- There are two very large, designated areas to use when pottying/walking dogs. One is the large grass area on the far back side of the building and the other is the large grass area on the side of the building outside the JWW ring. **ALL OTHER AREAS ARE OFF LIMITS FOR WALKING DOGS.** Anyone found walking dogs outside the designated area will be asked to leave the trial site and told not to return! Also, remember to clean up after your dogs! There are cameras and we will be watching. Anyone found not cleaning up after their dogs will also be asked to leave the trial site.
- DO NOT speak to facility staff regarding issues with the facility. Take all concerns directly to the club.
- **No brushing or grooming of dogs anywhere in the building.**
- No food or drinks on the turf, neither around the rings nor in the crating area (except water).
- No RV parking allowed anywhere on site
- No food vendor, but there is a Wawa on the other side of the parking lot in walking distance.
- All dogs must be on leash except in the ring and in the warm up area
- All crates must be placed on a waterproof mat or tarp.
- Crating space is limited. You may be asked to compress your space. Please close all chairs, wagons etc. when not in use or they will be moved out of the way for the safety of dogs and competitors.
- No chairs on turf around the rings. Chairs may not be allowed in the crating area if space is needed.

**Course map procedures:** Per AKC rules as of 10/1/2021, course maps **WILL NOT** be available until the day of the trial. Fast Times will no longer email course maps to exhibitors. Course maps will be posted on site. Maps will also be posted on Fast Times website **the day of the trial before the start of the first walk-thru. Printed maps will NOT be handed out to exhibitors.** Please bring a phone or tablet that you can use to access the online maps, or that can take a photo of the posted maps.

Handlers with potential conflicts are asked to walk the Excellent/Master courses with an EARLIER height group if the conflict would mean you can't walk with your height class. If you aren't sure if you will have a conflict, play it safe and walk early! You can also **run at the end of the earlier height group or at the beginning of your height group** if that helps ease your conflict. **We realize that handlers with multiple dogs will have some conflicts.**

**Conflicts can ONLY be marked in ex/mas classes unless you are running multiple dogs in that class.** ALL classes that have 1 walk thru take precedence. If you need assistance with a potential conflict please ask. We would rather assist early than have anyone angry or panicked while ring side. ***This is a game and we should all be having fun with our dogs!***

**If you are entered in either Premier class as well as the Ex/Mas classes...** please be sure to walk your Ex/Mas class early if you may have a conflict with Premier. There are multiple opportunities to walk the Ex/Mas classes. We put Premier against them as NO ONE should have a conflict this way. If your height is running in the other ring, mark a conflict and run at the top of the next jump height. Just make sure someone knows what you are doing so you aren't marked absent. **DON'T STRESS OUT!! If you need help, please ask!!**

**Please note: ALL the times after the first walk-thru are approximate – DO NOT wait and arrive close to the time listed.** We are not responsible if you show up late because you thought the class would not start until the times shown below. Please remember that by mid-day – the times may be as much as ¾- 1 ¼ hours off. **JUDGE'S BRIEFINGS WILL ONLY BE AT THE BEGINNING OF EACH CLASS – NOT BEFORE EACH JUMP HEIGHT**
