THE 148TH ANNUAL

WESTMINSTER
KENNEL CLUB DOG SHOW

PRESENTED BY

Please join us for our 148th All-Breed Dog Show
Monday and Tuesday, May 13, & 14, 2024
at the USTA Billie Jean King National Tennis Center
Daytime Breed Judging from 8 AM – 4 PM and
Groups and Best In Show 6 PM to 11 PM

Monday: Hound, Toy, Non-Sporting, and Herding Groups
(beginning at 7:30 PM)

Tuesday: Junior Showmanship Finals, Sporting, Working,
Terrier Groups, and BEST IN SHOW (beginning at 7:00 PM)

First Two Rounds (STD & JWW)

1. These two rounds will be scored as AKC qualifying runs. Any Q's achieved will count with AKC towards regular agility titles. Jump heights offered 4"-24". Dogs whose measured height at the withers is 22" and under cannot enter the 24" jump height at this event as there is no 24C" class offered. Dogs may run in their Preferred jump height in both rounds.
2. Judging will begin as early as 7:30 AM. See final confirmation for details.
3. Dogs may not run at a higher height than their true measured height in STD and JWW rounds or in the Championship round.
4. Dogs may run at their Preferred jump height in STD and JWW rounds. For purposes of eligibility and placement for the Championship round, they will be scored and placed within their true jump height group during the re-scoring process. See below for more details.

Requirements and Scoring for eligibility into the WKC Championship round. STD and JWW runs will determine eligibility:

1. Dogs must Q in one of the first two runs (STD and/or JWW) to be eligible for the Championship round. Elimination (E) or being Absent from either round (STD and/or JWW) will eliminate eligibility for the championship round with a no score.
2. Scoring for eligibility to the Championship round will be the combined actual running time of both runs plus any faults (this includes time faults).
 - a. R, W, T will be assessed 5 points.
 - b. F will be assessed 10 points.
 - c. Course time faults will be 3 points for every full second over course time.
3. After these first two rounds, the data will be re-scored to determine eligibility for the Championship round. Dogs will be placed in order of the lowest combined score within their true AKC jump height.
4. All dogs in the regular level will be required to jump at their AKC regulation jump height based on the shoulder height. Any dog needing measurements must be measured before running. The 4 Paw Safety rule will be in effect.
5. Dogs that ran in the preferred jump height level in the first two rounds must run at their Preferred jump height in the Championship rounds. There is not a separate Preferred Championship round.
6. For purposes of the placement for the Championship round and overall WKC Master Champion, they will be scored and placed within their true jump height group: *
 - 4" Pref / 8" Reg - all scored together as true jump height 8"
 - 8" Pref / 12" Reg - all scored together as true jump height 12"
 - 12" Pref / 16" Reg - all scored together as true jump height 16"
 - 16" Pref / 20" Reg - all scored together as true jump height 20"
 - 20" Pref / 24" Reg - all scored together as true jump height 24"

7. A maximum of 10 dogs from each jump height will be selected for the Championship round.
8. In each jump height, the top 3 qualifying dogs, regardless of breed, will be chosen for the Championship round. After that, additional dogs will be chosen by individual breed. One of each breed from the remainder of the qualifying dogs in each jump height will be chosen until the limit is reached. One qualifying Canine Partner will be included in the breeds selected to make up the 10 dogs chosen in each jump height.
9. If there are not enough individual breeds to make up the 10 dogs in each jump height, the next dog with the lowest combined score will be included regardless of breed. This means that more than one dog of any breed may be chosen.

WKC Championship Round Scoring and Awards:

1. The Championship course will be a modified Time to Beat style course with a Dog Walk added. The WKC Championship Scoring will be using modified Standard Course rules.
 - a. There will be no Refusals or Runouts (R) called.
 - b. Each Wrong Course (W) will be assessed a 5-point fault.
 - c. Each Failure to Perform (F) will be assessed as a 10-point fault.
 - d. Course Time Faults will be 3 points for every full second over Standard Course Time (SCT).
 - e. Dogs that don't complete the course will be eliminated.
2. Dogs must run in the same jump height in the Championship round that they did in the preliminary classes.
3. Each Dog's Championship Round Score will be calculated using the dog's running time plus any course or time faults (please remember there are no refusals scored in this round but there are time faults). Placements within each true jump height will be determined using the championship round score.
4. The overall Master Championship Round Score will be calculated by taking the Championship Course Yardage for the dog's true jump height divided by the dog's Championship Round Score (which is calculated using the dog's running time plus any course or time faults) for the 1st place dogs of each jump height. The highest result will determine the overall WKC Master Champion. For example, if a dog with a Championship Round Score of 39.23 and a Course Yardage of 112 yards then the dog's Master Championship Score would be 2.85.
5. The finals will be televised nationally on FOX on Sunday, May 12th at 12:30 PM. As such, Westminster encourages all exhibitors to dress in clean and presentable attire in an effort to present an appropriate image of our sport. No bare feet, please. Our presenting sponsor, Purina/Pro Plan will provide exhibitor shirts.
6. FCI exhibitors must be pre-qualified prior to entering the trial. AKC will review FCI titles to determine if they equate to the corresponding US titles. Entry forms must be submitted by February 19, 2024. Once approved, exhibitors will have to re-enter on the opening date of the Trial.

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.
