Will dog need to be measured at this trial? XXX

PLEASE READ RIGHT AWAY
Move-up requests & entry corrections
need to be made before 6pm pm 8/25/25.

Berks County Dog Training Club August 28-29-30-31, 2025 **Yellow Breeches Sports Center, 700 Shawnee Court, New Cumberland, PA 17070**

Congratulations! You are entered in the above Agility trial. Please review this confirmation information and notify us by email or mail immediately of any changes or modifications that need to be made. Please check our website: WWW.FASTTIMESAGILITY.COM. In addition, for your convenience, we will be posting trial results to the website shortly after the trial – please check the results.

There WILL be an official measurer at this trial Thursday, Friday and Saturday only. Exhibitor Sandy Moody is a VMO and will be measuring dogs on these days. If the “Will dog need to be measured?” says YES, you will need to have a valid permanent height card, valid temporary measurement slip, or you will need to be measured by the VMO. If you are only entered on Sunday, you will need to be measured by one of the judges before running. A measurement done on Sunday will only be valid for that trial day. **DO NOT RISK A Q – GET MEASURED BEFORE RUNNING.** It is the exhibitor’s responsibility to get their dog measured and to know the jump height card rules. AKC will check this data and you will lose a Q if you do not get measured. We have been told the AKC is cracking down on this.

You may request move-ups by emailing them to trialsec@FastTimesAgility.com, via facsimile transmission to 888-521-1706 or in writing by mail to Fast Times at 3 Sherman Ct, Manalapan, NJ 07726. All move ups must be received by 6pm on the Monday preceding the trial. Verbal move-ups will not be accepted or processed. If you are entered in multiple trials, you need to send a separate move-up request for each trial and each dog. **Again, move-up requests MUST be received in writing via email/mail by 6 pm the Monday before the event per AKC rules. Day-to-day move-ups must be done onsite and will not be accepted via email. See premium for details.**

Handlers with potential conflicts are asked to walk the E/Master courses with an EARLIER height group if the conflict would mean you can't walk with your height class. If you aren't sure if you will have a conflict, play it safe and walk early! You can also **run at the end of the earlier height group or at the beginning of your height group** if that helps ease your conflict. Please talk to the judges to verify.

We realize that handlers with multiple dogs will have conflicts. ALL classes that have 1 walk through take precedence.

Conflicts can ONLY be marked in ex/mas classes unless you are running multiple dogs in that class.

If you need assistance with a potential conflict, please ask. We would rather assist early than have anyone angry or panicked while ring side.

This is a preliminary judging schedule which is contingent upon the move-up of entries that may not have been received yet. Final numbers may differ.

These times are only approximations. The Judges, the Club & the Trial Secretary will not be held to anything other than the start times for the first class of each day.
