Will dog need to be measured? XXX

Kruisin' Kanines Agility Club of Perkasio – Tuesday & Wednesday-November 11-12, 2025
United Dog Agility, 1957 Pioneer Rd, Unit B6, Huntington Valley, PA 19006

Congratulations! You are entered in the above Agility trial. Please review this confirmation information and notify us by email or mail immediately of any changes or modifications that need to be made. Please check our website: WWW.FASTTIMESAGILITY.COM. In addition, for your convenience, we will be posting trial results to the website shortly after the trial – please check the results.

There **WILL NOT** be an official measurer. If the **“Will dog need to be measured?”** says YES, you will need to have a valid permanent height card, valid temporary measurement slip or you will need to be measured by judge before running. This measurement is only valid for this 2 day trial.

NO SETUP MONDAY. THE BUILDING WILL OPEN TUESDAY & WEDNESDAY AT 7:30AM.

Food: There will not be food available for purchase on site. Please come prepared. There are many places within a short driving distance to get food.

Worker: Volunteers are always needed. Please sign up on-site to help. This is a small event so everyone will need to pitch in. Plus, there is no better place to be than inside the ring to watch the action.

DIRECTIONS TO SHOW: Click the link at the bottom of the trial webpage for Google directions.

Trial rules and information:

- There will be a parking assistant. Only park in designated spaces. **DO NOT** park in front of our neighbors P.C. Campbell.
- There is a separate turf area available for indoor crating. Please bring a tarp or mat to place under your crates. Dogs that bark continuously or are aggressive to passing dogs or people will not be permitted to be crated inside.
- We are running this trial in GROUPS to facilitate working. We have put a 5 minute break in between groups and will hold to this so that you have time to work classes and still take care of yourself and your dogs. Thank you in advance for volunteering so this trial runs smoothly.
- **UDog Agility will be providing the Agility Gate service for this event. Details will be emailed prior to the event.**
- **Course map procedures — PLEASE READ:** Per AKC rules as of 10/1/2021, course maps **WILL NOT** be available until the day of the trial. Course maps will be posted on site. Maps will also be posted on the Fast Times website the day of the trial before the start of the first walk-thru. Printed maps will **NOT** be handed out to exhibitors. Please bring a phone or tablet that you can use to access the online maps, or that can take a photo of the posted maps. Maps will be posted under the "Agility Maps" tab for all trials.

UDog Agility's hold harmless agreement must be signed and brought with you to the trial to participate if you have never completed it before. Follow the link below to download and print the forms. The forms are located on the bottom right of the webpage: <https://www.uniteddogagility.com/contact>

Please note: ALL times after the first walk-thru are approximate – **DO NOT wait and arrive close to the time listed.** We are not responsible if you show up late because you thought the class would not start until the times shown below. Please remember that by mid-day – the times may be as much as ¼-1 ¼ hours off. Final numbers may differ as we process corrections.

We generally run early at these events. Be sure to watch Agility Gate if you are not on site.

You may need to come earlier than expected!!
